# How COVID-19 Impacts Curlers, Facilities, and the Future of Curling

## Results from the curling demographic poll:

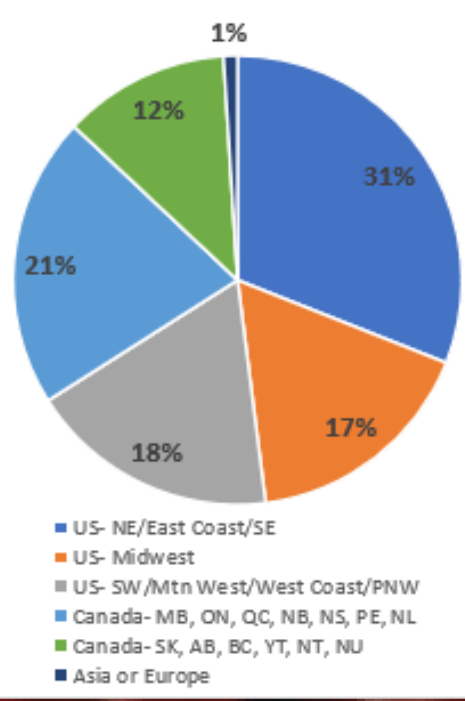

Data taken from the "How COVID-19 Impacts Curlers..." webinar (1/24/21) presented by the Curler Outreach Program.  
 Sample size reporting was 132 participants.  
 Participants reported by Zoom poll.

If you would like to see more data from the poll, please email [curleroutreach@gmail.com](mailto:curleroutreach@gmail.com).

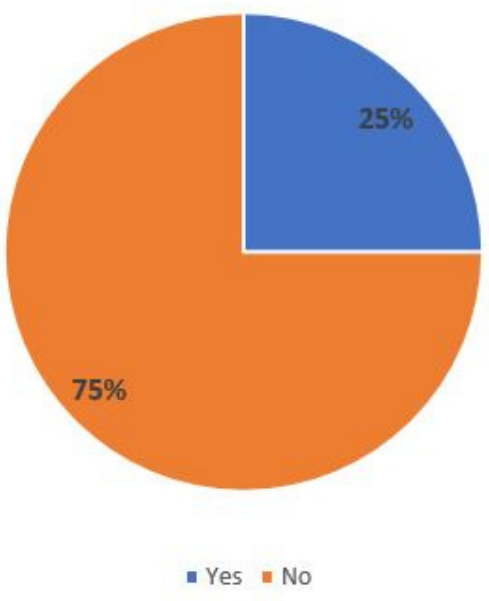

What kind of club do you curl in?

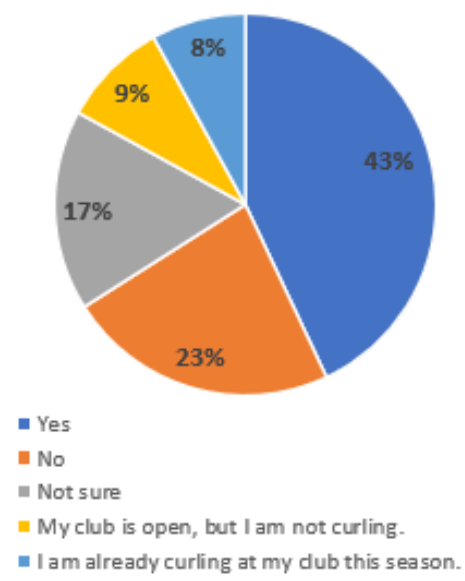

Location

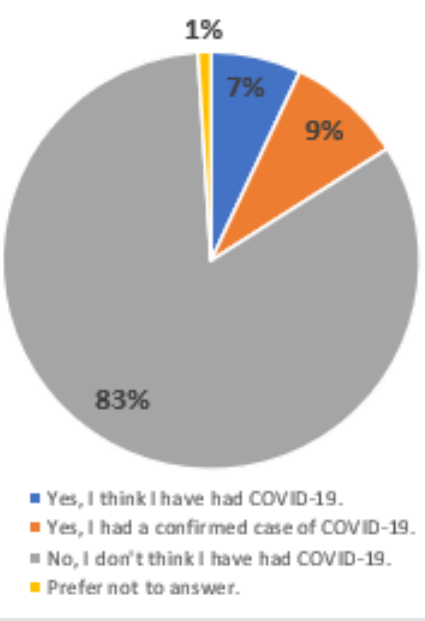

Is your club currently open and operating?

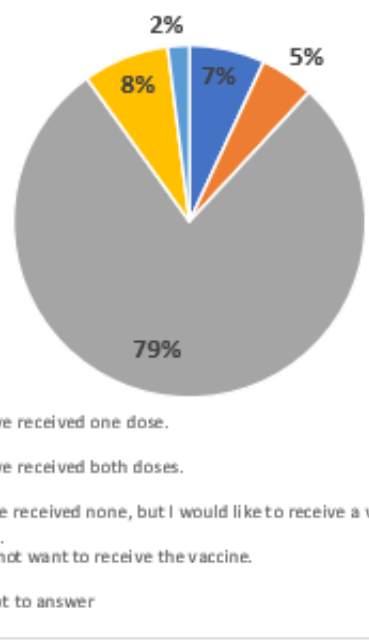

If your club opened tomorrow, would you curl?

Have you suspected that you might have contracted COVID-19 or confirmed that you had it?

Have you received any of the approved COVID-19 vaccines?

Keep up to date on the latest from Curler Outreach, and never miss a webinar:
